

# *It Was Out of Love*

## Media Event Log

*“To serve as a sign among you. In the future, when your children ask you, ‘What do these stones mean?’ tell them that the flow of the Jordan was cut off before the ark of the covenant of the Lord. When it crossed the Jordan, the waters of the Jordan were cut off. These stones are to be a memorial to the people of Israel forever.” (Joshua 4:6-7)*

I thought of this scripture as I decided to put together this log of media events that God has orchestrated over the past several years. First, through my publisher media team, and then through other totally unexpected opportunities. Now He is providing creative ideas to continue sharing *It Was Out of Love* with readers around the world. Let these entries be a reminder of the “public” events in which I have been blessed to share my story—but in no way documenting the hundreds of one-on-one encounters I have had with readers on this book journey.
